RE: Docket No. 93-54  
New York, New York

Dear Art:

This will confirm that our respective clients, GAF Broadcasting Company, Inc. (GAF) and Class Entertainment and Communications, L.P. (Class) have agreed to resolve all their pending litigation, subject to appropriate Commission approval as follows: Class would dismiss its appeal in Case No. 92-1269 in the United States Court Of Appeals For The District Of Columbia Circuit, thus concluding and resolving the pre-designation Petition To Deny and related pre-designation pleadings filed by Class against GAF. Class would also dismiss its subject application for construction permit for a new FM broadcast station at New York, NY (File No. BPH-910430ME). In return GAF would reimburse Class a total amount not to exceed \$80,000, the amount of such reimbursement to be allocated between resolution of pre-designation pleadings/court appeal and dismissal of the Class application. Any reimbursement in any amount would, of course, be subject to prior Commission approval pursuant to a final Order approving such settlement.

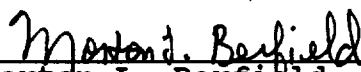

There would be a more detailed agreement setting
